Ping pong Tournament at SGIC

We held a **"Ping-Pong tournament"** at SGIC from April 8th to April 14th. There were many students that joined the tournament. On Day 1 to 3 of the tournament it was the preliminary rounds. On Day 4 of the tournament it was the semi final and on the 5th day it was the finals game!

There were many stories from this tournament! For example, some of them who had a lot of confidence lost and those who didn't have confidence won!

It made all student who were watching their game even SGIC staffs excited! Those students who weren't playing ping-pong at that time also joined the game by cheering!

The student pictured above was the winner of the tournament. As a prize, he got free gift card at Cineplex!!!! Congratulations!!!

After the final game, we also held raffle. Some student got free popcorn ticket, a free upgrade movie ticket which they can upgrade their regular seat to VIP seat and many more! When the staff were choosing names card, the students looked very nervous and everybody was so quiet!!! The students who were picked were so happy.

Toronto News

Welcome Party (April 29, 2022)

Since Ontario had strict restrictions for Covid-19, we couldn't have our welcome party as an activity. However, our life is getting back normal so we could finally have our welcome party for the new students!

We went to "WAREHOUSE" and had fun spending time together! There were many students from different countries and they were able to learn more about each other. At the beginning, they were a little shy with each other, but after their first drink students were able to open up and it was easier to talk each other about their country, school life and their life in their countries etc....

During the welcome party it was one of the student's birthday as well so, SGIC staff prepared a cake for him and celebrated with all as surprise!

He wasn't expected it and he was so happy!!!! His face made us happy as well.

Welcome to SGIC and let's enjoy studying and create memories together:)

Graduation News

Graduation (April 22, 2022)

Happy graduation and congratulations to those who were chosen as "Best of student" and "Most Improved"!!

**We were happy to spend time together with all of you!
SGIC staff wish you all the best in your future.
Please do not forget your time here at SGIC with your awesome friends!**

Testimonial

Josefa Magna Alves de Souza from Brazil

My dream was coming to another country to study English. When I study English in Brazil, I couldn't keep studying English even I tried because I was busy to work my job. That's why she decided to come to study here. Of course it took time to improve my English and for only 1 month it is difficult to improve my English gradually. But when I arrived here, I couldn't speak English at all. Compare to that time, I was able to communicate with someone in English a little, thanks to SGIC. I was able to interact with students from other countries. This is amazing and fantastic experience to me. When I need helped, SGIC staff, teachers and classmates always helped me. I like SGIC environment which is friendly and cozy atmosphere. I recommended SGIC and one of my friends come to Toronto next year with me! I will continue studying English and keep improving myself.
