Cherry Blossom at High Park

It's the season of cherry blossoms!

We visited High Park for its cherry blossoms, which boast the most cherry trees in Toronto. It was said that the peak of blooming occurred a day before our visit, but there were still many beautiful cherry trees in bloom, and many people there were enjoying spring finally arriving in Toronto.

Even though it was slightly windy and chilly that day, we had fun taking photos of the cherry blossoms and chatting under the trees, trying to make the most of the cherry blossom season.

We can't wait for spring to come here!

Apr 9

Beavertails at Harbourfront

On April 19, we went to "Beavertails" at Harbourfront as part of a school activity.

"Beavertails" is a sweet fried dough pastry, individually hand-stretched to resemble a beaver's tail, topped with a variety of delicious options.

The store shown in the photos has 140 locations throughout Canada and the U.S., and it has been around for about 50 years since the first location opened.

This is a MUST-TRY snack when you visit Canada!

Apr 26

Welcome Party!!!

Welcome, welcome, welcome to SGIC!

Another term has started, and we're thrilled to see so many new faces!

We are delighted to have new students at our school and hope they will experience immense joy and happiness in this new environment.

The welcome party was held at The Warehouse, known for its vibrant atmosphere and popularity among students from universities, colleges, and language schools.

Some of our teachers joined the party as well, and they're all friends now!

Apr ~

Renovation

At last, the renovation has started!

We've been eager for some changes to the interior on the 4th floor of our building because the current colour doesn't represent our school. We've also been requesting renovations for quite some time, and now, they're finally happening!

The school staff said, "I'm happy to see a new look in this school. With these changes, we can welcome students without worrying about complaints regarding the interior. Additionally, we can invite agencies and show them how clean and decent our educational space is!"

We're all excited for the new look!

There are many activities waiting for you!

03 Nationalities

*We Have International Counselors!
They Can Help You In Your Languages!*

04 Our Teachers

<Interview>

Ori

The environment is very friendly. I love working here. I learn a lot from students. It helps me to become a better teacher by knowing more about cultures and their languages. There are many things you can do to improve your English. In class, don't be shy! I strongly recommend participating in class, asking questions, learning from mistakes.

05 Our Teachers

<Interview>

Sofia

SGIC gives students opportunities to experience real life in Toronto. Teachers are really caring and know a lot about teaching English. Students take their learning seriously which I really appreciate. When you are learning a new language, try to listen to audio in the language as much as you can. Surround yourself with the language, so you can enjoy learning.

06 Information

Available Programs

ESL 3-6, Speaking, IELTS, Business English, TESOL, Medical English, Pathway, Korean Translation

SGIC News **Business English will be opened!**

Business English allows students to greatly improve their English while learning essential business skills required in a North American context.

Telephone skills, negotiations, presentations, resume writing and job interview skills comprise a part of what students will learn. Business vocabulary, etiquette and world issues are also explored and discussed.

Upon completion of BEDP, students may apply for SGIC's unpaid internship program.

-SCHEDULED OPENING CLASS-
Session 1: May 21 - Jun 14, 2024
Session 2: Jun 17 - Jul 12, 2024
