EASTER FUN AT SGIC

On Monday, April 21st, SGIC students joined a fun Easter Egg Scavenger Hunt every corner of the school — and it was a big success! Each group got a first clue and followed 9 hidden clues around the school. There were lots of laughs, teamwork, and excitement! Everyone worked together to collect eggs and earn their prize: a giant Swiss Toblerone chocolate bar! The final clue led to the Golden Egg. Congratulations to our winner! Thank you to all students who participated in the event. It was a fun way to celebrate Easter together! Our campus was also filled with cute Easter decorations — from colorful eggs to cheerful bunnies — making the whole school feel warm, welcoming, and full of spring spirit.
