Cheers to them!

In November, we celebrated the graduation of beloved students who had stayed with us for a long time! In addition to being dedicated to their studies, they participated in all after-class activities and, as a result, became great friends! Now, back in **Brazil, Mexico, Japan, South Korea, or Taiwan**, they will be able to tell exciting stories about their experience in Vancouver! **This is the mark left by the SGIC Family!**

Family & Friends

In November, we had the pleasure of receiving a visit from former students who came to join the teachers and celebrate new moments together once again!

December Activities

Here at SGIC, our students can feel welcomed, as free after-class activities are held every day! This way, **practicing English and making friends** is possible, making the Canadian experience more complete.

Christmas feelings!

Students participated in Christmas Tree Decorating with teachers to get into the Christmas spirit. In a relaxed moment, they practiced their English and enjoyed the afternoon with friends!

MOVIE TIP!

The Holiday" is a comedy about two women, Amanda Woods from Los Angeles and Iris Simpkins from Surrey, England, who swap homes during the Christmas season to escape their complicated love lives. Amanda moves into Iris's quaint countryside cottage, where she meets and falls for Iris's brother Graham, while Iris travels to Amanda's luxurious Los Angeles home and develops a connection with Miles, a film composer, and forms a touching friendship with an elderly Hollywood screenwriter named Arthur Abbott.

The film beautifully illustrates how stepping out of one's comfort zone and embracing new experiences can lead to profound personal growth and unexpected romantic opportunities.

For English students, it brings clear dialogue, diverse accents, and natural conversational English, which is perfect for practicing the language during this Christmas season!

Cameron Diaz - Kate Winslet - Jude Law - Jack Black
