Vancouver is Ready for the World Cup!

Everyone is talking about it: the FIFA World Cup is going to be incredible, and Vancouver is ready for it!
For the first time, our students will have the unforgettable opportunity to experience the excitement of a world-class soccer tournament right here in Vancouver. With the stadium hosting official matches and SGIC located close to the heart of the celebrations, students will be surrounded by the energy of the event. Streets, public squares, and popular tourist spots across the city will welcome visitors from around the world and offer free events throughout the tournament. It will be an even richer and more exciting experience for our students, giving them the perfect chance to practice their English in real-life situations while enjoying this historic moment in Vancouver.

Ping-Pong Fun at SGIC

Not a soccer fan? No problem! A friendly ping-pong tournament at SGIC after class is always a great idea. Students from Japan, South Korea, Mexico, and Colombia shared lots of laughs while enjoying the game and spending time together.

Canadian BBQ with SGIC

Our SGIC students are becoming almost Canadian!

They enjoyed a fun Canadian BBQ with our students, and Sean did an amazing job as the chef.

A Canadian BBQ is usually a casual outdoor gathering where people grill simple favourites such as burgers, hot dogs, sausages, chicken, and vegetables while spending time together with friends.

It is a little different from a Brazilian barbecue, which often includes a wider variety of meats cooked on skewers or over charcoal, and also different from Korean BBQ, where people usually grill thin slices of meat at the table and share several side dishes.

Our student Sean, from South Korea, did an amazing job as the chef! **A True Canadian BBQ Experience!**

Student Spotlight: Learning at Every Age

SGIC welcomes students of all ages and creates a friendly learning environment where everyone can connect and learn from one another.
Our classes have a maximum of 15 students and are organized by English level, so everyone can feel comfortable and stay on the same page. At SGIC, age does not matter — what matters is creating a diverse, welcoming, and enriching experience for all students.

SGIC at the 2026 World Cup

June 2026 has been an unforgettable month in Vancouver, and **SGIC is ready to celebrate the 2026 FIFA World Cup with our students!**
As one of Canada's host cities, Vancouver will welcome fans from around the world, with matches taking place at BC Place and special events happening across the city. The official FIFA Fan Festival Vancouver will also run from June 11 to July 19 at the PNE, offering live match broadcasts, entertainment, food vendors, and interactive fan experiences.

At SGIC, we will help students make the most of this exciting moment by sharing match schedules, information about where to watch the games, transit tips, and suggestions for safe and fun places to cheer for their favourite teams. It will be a great opportunity for students to celebrate different cultures, meet new friends, and practise English in real-life situations.

Despite that, regular class schedules will remain the same during this period.
